

EXQUISITE CABINETRY **MEETS INNOVATION**

YOUR DREAMHOME IS AT YOUR FINGERTIPS

You have wings. We like to fly.

Scott Dresner is a prominent kitchen designer and custom builder who has designed and installed over 7500 kitchens and baths across the country during his 30-year storied career. He approaches each project from both a practical and creative point of view maintaining his position as an innovator in both the cabinetry and construction industries. His repertoire includes multi-unit developments across the country, ranging from traditional to contemporary and everything in-between.
